

Resolution No. 9671  
Resolution of the Council of the City of Palo Alto Amending Resolutions  
9473 and 9577 to Continue the Downtown Residential Preferential  
Parking District (RPP) Program with Minor Modifications

R E C I T A L S

A. California Vehicle Code Section 22507 authorizes the establishment, by city council action, of permit parking programs in residential neighborhoods for residents and other categories of parkers.

B. A stakeholders' group comprised of Downtown residents and business interests was convened to discuss the implementation of Residential Preferential Parking Districts (RPP Districts).

C. On December 15, 2015 the Council adopted Ordinance No. 5294, adding Chapter 10.50 to Title 10 (Vehicles and Traffic) of the Palo Municipal Code. This Chapter establishes the city-wide procedures for RPP Districts in the city.

D. On December 1, 2014, the Council adopted Resolution No. 9473 implementing the Downtown Residential Preferential Parking Pilot Program. The implementation anticipated a two-phased pilot program. Parking permits issued for Phase 1 of this pilot program expired on March 31, 2016 and parking permits issued for Phase 2 of this pilot program will expire on March 31, 2017.

E. On February 23, 2016 the Council adopted Resolution No. 9577 to update the process for implementing Phase 2 of the Downtown Neighborhood preferential parking pilot program. Permits issued for Phase 2 of this pilot program will expire on March 31, 2017.

F. It is the goal of the City to reduce the impacts of non-resident overflow parking from the Downtown Commercial District on the surrounding neighborhoods.

G. The Council desires to amend Resolution Nos. 9473 and 9577 to conclude the pilot program and implement the permanent Downtown Residential Preferential Parking Program. These modifications shall apply to all Downtown Residential Employee Parking Zones.

NOW, THEREFORE, the Council of the City of Palo Alto RESOLVES, as follows:

SECTION 1. Findings. The criteria set forth in Section 10.50.030 for annexing the areas described in 3.A of this Resolution as part of the Downtown Residential Preferential Parking Program District have been met as follows:

- (1) That non-resident vehicles do, or may, substantially interfere with the use of on-street or alley parking spaces by neighborhood residents, in that based on observation there are few available parking spaces available midday, while the streets are relatively unoccupied at midnight thus demonstrating the parking intrusion is largely by non-residents.
- (2) That the interference by the non-resident vehicles occurs at regular and frequent intervals, either daily or weekly, in that the parking intrusion is contained to the daytime hours during the regular workweek.
- (3) That the non-resident vehicles parked in the area of the proposed district create traffic congestion, noise, or other disruption (including shortage of parking spaces for residents and their visitors) that disrupts neighborhood life, in that based on information from residents and other city departments the vehicle congestion is interfering with regular activities.
- (4) Other alternative parking strategies are not feasible or practical in that the City has implemented a series of alternative parking strategies in the past and concurrently and there is still a shortage of parking available

SECTION 2. Duration and Issuance of Permits. The following provisions shall apply to the Downtown Residential Preferential Parking Program District:

- A. Resident Parking Permits: Resident Parking Permits will be distributed pursuant to the criteria listed under Section 5.C of this Resolution. Resident Parking Permits shall be valid for one-year increments, commencing on April 1, 2017. Resident Parking Permits will be valid anywhere within the boundaries of the Downtown Residential Preferential Parking Program District.
- B. Employee Parking Permits: The City shall also issue permits to Downtown Employees pursuant to the criteria listed under Section 5.C of this Resolution. Employee Parking Permits shall be in effect for six months. The first round of permits shall become effective on April 1, 2017 and expire on September 30, 2017. New Employee Parking Permits will be available for purchase every six months thereafter.
- C. Temporary Work Parking Permits: The City shall also issue Temporary Work Parking Permits for contractors or construction workers completing work for households located within the Downtown Residential Preferential Parking Program District. Prices and duration of the Temporary Work Parking Permits will be determined by the Development Services Director at the time of application.
- D. Duration: These regulations shall commence on April 1, 2017. The City will make permits available for Residents, Employees, and Contractors prior to April 1, 2017.

- E. Permanent Regulations: The Downtown Residential Preferential Parking Program shall remain in force until the City Council takes action to extend, modify, or rescind.

SECTION 3. Downtown Residential Preferential Parking Program District Boundaries.

- A. Annexed Zones. The areas shown on **Exhibit A** are included in the Downtown Residential Preferential Parking Program District.
- B. Eligibility Areas. The areas shown on **Exhibit A** as Eligibility Areas are eligible for administrative annexation, as provided in Palo Alto Municipal Code Section 10.50.085.
- C. Employee Parking Zones. No person shall park in the same employee parking zone within the Downtown Residential Preferential Parking Program District for more than two continuous hours without a valid permit. Re-parking on the same day in the same zone by any person without a valid parking permit or otherwise exempt from Chapter 10.50 shall be prohibited.

SECTION 4. Hours and Days of Enforcement.

- A. Hours. The Downtown Residential Preferential Parking Program parking regulations shall be in effect Monday through Friday from 8:00 AM to 6:00 PM, except holidays as defined in Palo Alto Municipal Code Section 2.08.100. Outside of these enforcement hours, any motor vehicle may park in the Downtown Residential Preferential Parking Program District, subject to other applicable parking regulations.
- B. Re-parking Prohibited. During the regulated days and hours of enforcement, no person shall park in the same Employee Parking Zone within the Downtown Residential Preferential Parking Program District for more than two continuous hours without a valid permit.
- C. Exemptions. A vehicle lawfully displaying a valid Resident Parking Permit or Employee Parking Permit in the proper fashion shall be exempt from the two-hour time limit. Electric vehicles parked at and using an electric charging station within the Downtown Residential Preferential Parking Program District shall be exempt from the two-hour limit. Other vehicles exempt from the parking regulations are identified in Palo Alto Municipal Code Section 10.50.070.

SECTION 5. Residential and Employee Parking Permits.

- A. Duration. Resident Parking Permits shall be available on an annual basis. One-day Resident Parking Permits shall also be available. Employee Parking Permits shall be available on a six-month basis. One-day Employee Parking Permits shall also be available.
- B. Purchase of Permits. Requirements and eligibility for purchase of both Resident Parking Permits and Employee Parking Permits shall be listed in the Residential Preferential Parking Administrative Guidelines, as approved by the Planning and Community Environment Director.
- C. Parking Permit Sales.
  - 1. Resident Parking Permits.
    - a. Annual Resident Parking Permit Stickers. Each residential address may obtain up to four (4) annual Resident Parking Permit Stickers at the costs listed in Section 6.A.
    - b. Annual Resident Parking Permit Hangtags: Each residential address may purchase up to two (2) annual Residents Parking Permit Hangtags, which are transferable within a household. The permit shall clearly indicate the date through which it is valid.
    - c. Daily Resident Parking Permits. Each residential address may purchase up to 50 Daily Resident Parking Permits annually. These permits may be in the form of scratcher hangtags, an on-line issuance system, or such other form as the City may decide. The permit shall clearly indicate the date through which it is valid.
  - 2. Employee Parking Permits. The City may issue Employee Parking Permits for use by employees working in the Downtown area as specified in **Exhibit A**. Employee Parking Permits shall be subject to the following regulations:
    - a. Commuting Only. Employee Parking Permits are for the exclusive use by employees working for businesses within the proposed Downtown Residential Preferential Parking Program District boundaries while commuting to work.
    - b. Employee Parking Permit Cost. Employees may purchase permits at the costs listed in Section 6.D.
    - c. Six-month Employee Parking Permit Cap. The City shall issue Six-month Employee Parking Permits on an iterative basis to ensure that the issuance of Six-month Employee Parking Permits does not adversely affect parking conditions for residents and merchants in the

District in accordance with Section 22507 (b) of the Vehicle Code. Notwithstanding the above, the City shall issue no more than 1,400 Employee Permits, with an additional 100 held in reserve for the Eligibility Areas within Employee Parking Zones 9 and 10, during the first year of the permanent Downtown Residential Preferential Parking Program implementation. The initial 1,500 and the reduced total of Employee Parking Permits thereafter are to be allocated among the existing, annexed, and eligible Employee Parking Zones according to the authorized maximums annually determined by the Planning and Community Environment Director.. Only streets participating in the Downtown Residential Preferential Parking Program may be allocated permits.

- d. Six-month Employee Parking Permit Priority for Low-income Employees. The Planning and Community Environment Director shall reserve approximately half of the annual employee permits in each zone for purchase by employees who qualify for reduced price permits based on hourly or annual income. The other half will be sold on a first come, first serve basis to all employees.
- e. Employee Parking Zones. Each Employee Parking Permit shall be issued for only one of the Employee Parking Zones as shown in Exhibits A and B and shall entitle the permitholder to park only in that zone for more than two hours.
- f. Daily Employee Parking Permits. Daily Employee Parking Permits will be available to employees only, and will not be available for sale to employers. Employees will be limited to purchase up to four (4) daily parking permits per month, or roughly one per week.
  - 1. Distribution of daily employee permits. Daily employee permits will be zone-specific and will be sold randomly. No

daily employee permits will be sold in Zones 9 and 10. Employees will not select a specific zone when purchasing a daily permit, and will receive a zone specific daily employee permit selected at random at the time of mailing.

SECTION 6. Cost of Parking Permits. The cost of Parking Permits shall be as follow and may be adjusted from time to time to maintain consistency with parking permits issued for Downtown lots and garages:

- A. Annual Resident Parking Permit Sticker: First permit \$0/year; second permit \$50/year; third permit \$50/year; fourth permit \$50/year. No more than four parking permits will be sold per residential address.
- B. Annual Resident Parking Permit Hangtag: A residential address may purchase up to two Annual Resident Parking Permit Hangtags at \$50/year. Additional permits may be approved by the Planning and Community Environment Director upon a showing of good cause.
- C. Daily Resident Parking Permit: A residential address may purchase up to 50 Daily Resident Parking Permits per year at \$5/each.
- D. Employee Parking Permits
  - 1. Full-price Permit: \$233/six months
  - 2. Reduced-price Permit for Low-income Employees: \$25/six months
  - 3. Reduced-price Permit for Addison Elementary School employees: \$25/six months
- E. Temporary Work Parking Permit: Issued by Palo Alto Development Center with cost and duration determined at time of application by the Development Services Director.

SECTION 7. CEQA. This resolution is exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant to Section 15061(b)(3) of Title 14 of the California Code of Regulations since it can be seen with certainty that there is no possibility the adoption and implementation of this resolution may have a significant effect on the environment and Section 15301 in that this proposed ordinance will have a minor impact on existing facilities.

SECTION 8. Supersede. To the extent any of the provisions of this resolution are inconsistent with the regulations set forth in Resolution 9473 or Resolution 9577, this resolution shall control.

SECTION 9. Effective Date. This resolution shall take effect immediately, except that Section 3(B) shall not go into effect until the corresponding implementing

ordinance becomes effective. Enforcement shall commence, pursuant to Chapter 10.50 and the California Vehicle Code, when signage is posted.
