

Resolution No. 9741

Resolution of the Council of the City of Palo Alto Amending Resolution No. 9739 Continuing the Evergreen Park-Mayfield Residential Preferential Parking District (RPP) Program to Expand the Program Area and Add a New Zone G on the East Side of El Camino Real Between College Avenue and Approximately 189 Feet North of Park Boulevard, and Make Technical Corrections and Clarifications

RECITALS

A. On January 23, 2017, the Council adopted Resolution No. 9663, which established the Evergreen Park-Mayfield Residential Preferential Parking Program pilot and rescinded existing parking restrictions that conflicted with the restrictions established by this RPP district.

B. On February 5, 2018, the Council adopted Resolution No. 9739 concluding the pilot and continuing the Evergreen Park-Mayfield Residential Preferential Parking Program as an ongoing program. At that time, the Council expressed a desire to expand the District boundary to include the east side of El Camino Real between College Avenue and Park Boulevard which would be established as a new, separate parking zone. El Camino Real is a state highway under the jurisdiction of Caltrans, and the application of the RPP regulations to El Camino Real is therefore subject to Caltrans' approval.

C. The Council now desires to expand the District boundary as described above and make some technical corrections.

NOW, THEREFORE, the Council of the City of Palo Alto RESOLVES, as follows:

SECTION 1. SECTION 3, "Parking Restrictions within District", of Resolution No. 9739 is amended to read as follows:

SECTION 3. Parking Restrictions within the District.

A. Two-hour Parking Limit and No Re-parking. In the areas within the District listed in Table 1, no person shall park a vehicle adjacent to any curb for more than two hours. Re-parking a vehicle more than two hours after initially parking on the same day in the same Parking Zone is prohibited. These restrictions shall be in effect Monday through Friday from 8:00 AM to 6:00 PM, except holidays as defined in Palo Alto Municipal Code Section 2.08.100. Vehicles properly displaying a valid Parking Permit as described in Section 4 of this Resolution are exempt from these restrictions.
